*Source:* UNCTAD, cross-border M&A database, based on data from Thomson Financial Securities Data Company.*Notes:* Data are classified by region/economy of seller. The components may not add up to totals due to deals which cannot be classified by region.

<sup>a</sup> Defined as deals in which the acquirer is a finance company (buyout firm, venture capital company, merchant bank, commercial bank, etc.), acquiring a target firm whose main activity is non-financial. However, target firms of industrial combinations that are considered as aiming at operational rather than financial objectives are excluded. These involve financial companies with SIC codes as follows: 16, 44, 65, 83, 106, 107, 150, 151, 176, 183, 195, 201, 247, 310, 330, 334, 363, 439, 55 and 8. Furthermore, deals whose target firms engage in information retrieval services are also excluded.
